

How to Access Assignments

1. Click on the BCPS Links folder. 
2. Click on BCPS Schoology. 
3. Log in. 
4. Click on Courses at the top. 
5. Click on the course – Math, ELA, Art, Music, Phys. Ed. or Library
6. In each Course, you will see a folder of work for the week. All work for that week is inside. You may also see icons  Raz-Kids and  First in Math which are apps that students can access for practicing reading and math skills.

How to Access May Do Activities Individually

1. Click on the BCPS Links folder. 
2. Click on Apps Portal. 
3. In there are all of the apps that students use in school. The main two that students should be working in daily are First in Math and Raz-Kids.
